

SIMPLE PRESENT

The simple present expresses an action or fact in the present taking place in the present. For actions that are set by a timetable or schedule.

(El presente simple expresa una acción o hecho que tiene lugar en el presente. También se usa para acciones planeadas por agenda u horario).

Example: I like you.

	affirmative	negative	question
I	I like.	I do not like.	Do I like?
he/she/it	He likes.	He does not like.	Does he like?
you/we/they	You like.	You do not like.	Do you like?

Rules:

THIRD PERSON SINGULAR subjects (he, she and it) have to have a verb with S
With most verbs, the third person singular form is created simply by adding -S.
However, with some verbs, you need to add -ES or change the ending a little.

(Los sujetos he, she, it tienen que añadir al verbo una -S. En la mayoría de los verbos se crea añadiendo simplemente una -S. De todas formas, con algún verbo necesitas añadir -ES o cambiar su final).

Here are the rules: *(Aquí están las reglas)*

Verb ending in... <i>(verbos acabados en...)</i>	How to make the 3rd person singular <i>(Cómo hacer la tercera persona del singular)</i>	Example <i>(Ejemplo)</i>
S	Add -ES	<i>He passes</i>
Z	Add -ES	<i>She does</i>
Sh, X	Add -ES	<i>She wishes</i>
Ch, O	Add -ES	<i>He watches</i>
consonant + y	Change Y to I, then add -ES	<i>It flies</i>
[anything else]	Add -S	<i>He sings</i>

Are the same rules as the plural *(Son las mismas reglas que el plural)*

PRESENT CONTINUOUS

We use this tense to say that something is happening at the moment we are saying it. Usually, we use it with "NOW" as adverb.

(Este tiempo verbal indica una acción que está ocurriendo ahora, en el mismo momento que lo estamos diciendo. A menudo, las oraciones en Presente Continuo llevan justamente el adverbio NOW (ahora)).

I) Affirmative

SUBJECT + BE (in present tense: AM/IS/ARE) + GERUND (verb ending in -ING)

(SUJETO + VERBO SER O ESTAR CONJUGADO EN PRESENTE SIMPLE + GERUNDIO (se forma añadiendo al verbo la terminación -ING))

I	am	→	I'm	working.
She	is	→	She's	
He			He's	
It			It's	
We	are	→	We're	
You			You're	
They			They're	

- Verb **to be** (am, is, are) + verb + **ing**

Example:

- a) My father working (**INCORRECT**) → My father **IS** working. (**Correct**)
- b) Robert is play with my sister (**INCORRECT**) → Robert is play**ING** with my sister. (**CORRECT**)

*** ¡NO TE OLVIDES DE USAR EL VERBO TO BE!!!**

***Recuerden de no omitir el sujeto. En español "Esta comiendo" esta usando un sujeto oculto (queremos decir: ÉL/ELLA/ELLO está comiendo). En inglés siempre debemos decir quién hace la acción En ingles seria "He/she /it is eating" dependiendo del contexto.**

II) Negative

The negative form is used by adding "NOT" after the verb to be in the present tense form. You may use contractions.

*(La forma negativa se usa añadiendo **NOT** después del verbo ser o estar en el presente simple. Puedes usar contracciones)*

She	isn't	working.	I	am	→	I'm	not working.
He			is	→	She	She's	
It					He	He's	
	It	It's					
You	aren't		You	are	→	You're	
We			We're				
They			They're				

- a) Not working my father (**INCORRECT**) → My father isn't (is + not) working (**CORRECT**)
- b) She doesn't playing (**INCORRECT**) → She isn't playing (**CORRECT**)

III) Interrogative

We have to put the **verb to be** + **the subject** + **-ing form** + the complement.

(Tenemos que poner el verbo ser o estar + el sujeto + la forma ing + el resto de la frase)

Are you watching TV?

* Remember that we can use the **QUESTION WORDS** before the structure:

(Recuerda que puedes usar partículas interrogativas antes de la estructura)

En inglés, el genitivo (relación de propiedad o posesión) se forma de dos maneras:

1. Mediante la preposición of, (de), que se usa normalmente cuando el poseedor no es una persona:

The window of the house (*La ventana de la casa*)

2. Cuando el poseedor es una persona, se emplea una forma particular, que se conoce como genitivo sajón (por su origen). Al nombre del poseedor, se añade un apóstrofo y una s ('s) y figura en la frase delante del nombre de la cosa poseída:

My brother's car (*El coche de mi hermano*) John's dog (*El perro de John*)

También se emplea con nombres de animales, nombres de países, ciertas expresiones de tiempo, espacio, distancia, peso, etc..

The cat's ears (*Las orejas del gato*) France's cities (*las ciudades de Francia*)
Yesterday's meeting (*La reunión de ayer*) A mile's walk (*Un paseo de una milla*)

REGLAS DE LA 'S DEL GENITIVO SAJÓN

1. Cuando el poseedor es solo uno, el orden de la frase es:

**Poseedor
Apóstrofo + S
La cosa poseída**

Paul's heart (El corazón de Pablo)

Quando el nombre termina en s, se añade otra s

Charles's bicycle (La bicicleta de Carlos)

2. Si los poseedores son varios, el orden de la frase es:

**Los poseedores (plural)
Apóstrofo
La cosa poseída**

My brothers' clock (El reloj de mis hermanos)

(Quando el nombre en plural no termina en s se aplica la misma norma que para un solo poseedor):

The women's books (Los libros de las mujeres)

Quando detallamos nombrando a los distintos poseedores, solamente el último refiere el genitivo:

That is John, Jim and Paul's flat (Ese es el piso de John, Jim y Paul)

¡Cuidado!. Fíjate en la diferencia:

John and Ann's cars —▶ Los coches son de ambos
John's and Ann's cars —▶ Cada uno tiene su propio coche

Combinado con of puede servir para distinguir el sentido de propiedad

A photo of Peter's (Una foto de Pedro, la foto es de su propiedad)
A photo of Peter (Una foto de Pedro, de su persona)
